• ABOUT VCA •

In partnership with Christian parents, Victory Christian Academy is dedicated to providing a loving, Christ-centered environment of educational excellence so that our children may develop their gifts, knowledge, skills and energies to become servant leaders for the kingdom of God. VCA is a non-denominational, independent discipleship school for students of Christian families in grades K-8 and serves families from all over St. Louis County, St. Louis City, and southwestern Illinois.

• ABOUT THE TOURNAMENT •

The tournament will be held at **Annbriar Golf Course**, which is in Waterloo, Illinois. Annbriar is a beautiful course, with no shortage of scenic views and challenging holes. We are thrilled to be able to have our tournament here!

The format will be a 4-person scramble, which means each team works together and uses the best shot each time. This takes the pressure off those who may not be experienced golfers!

You are welcome to form your own team or register individually. We encourage those already involved with Victory to look outside the VCA family as you build your teams, to get even more involved and aware of this great ministry! Cost is **\$100/per person, \$400/per foursome**.

A **registration form** is included. Please complete, detach and return along with payment to:

NEW HOME FOR VCA!

Victory Christian Academy will be relocating for the up 2017/2018 school year! God has blessed VCA with the opportunity to move into a newer facility located at 1930 Meyer Drury Drive in Arnold, MO. Victory will be sharing the building with Encounter Church, as well as Wee Kids Academy Preschool. Proceeds from this year's tournament will be very helpful in covering some of the costs associated with the move. Thank you for participating and supporting Victory Christian Academy!
